

UC DAVIS

UNIVERSITY OF CALIFORNIA

Undergraduate Admission 2020

World-class academics

At UC Davis, collaboration brings innovation as we work together to shape globe-changing breakthroughs.

We learn hands-on:

- Bodega Marine Laboratory plus dozens of other design centers, labs and creative spaces
- Dynamic professors guide success through indoor and outdoor classrooms
- More than 70 percent of undergraduates participate in research
- Over 10,000 tech and other internship opportunities around the world

► ucdavis.edu/hands-on

Bodega Marine Laboratory, UC Davis
Coastal and Marine Sciences Institute

Student team discusses design project.

1st in the world in agricultural economics and policy

5th best public university in the nation

1st in the nation in veterinary science

1st among best value colleges for women in STEM

Bright futures

UC Davis prepares students for graduate school or a career after graduation. Employers love Aggies!

We launch careers:

- Over 3,000 recruiters from companies such as Apple, Amazon, Dupont and Genentech seek UC Davis graduates
- Internship and Career Center offers résumé help, career fairs and internship connections
- Professors and academic departments introduce students to industry professionals
- UC Davis helps grow startup companies and supports student entrepreneurs through the Student Startup Center
- Programs like the UC Center Sacramento and our Pre-Health Conference and advising give students pre-professional experience

► ucdavis.edu/career

Recent graduates earn a **median annual salary of \$59,400**, and **experienced alumni earn \$113,800**

Over 80 percent of UC Davis students who apply to graduate school attend their first- or second-choice institution

Money's 8th most transformative college in the nation

Chancellor Gary S. May supports student growth through job shadow opportunities.

Estimated costs for 2019–20

► ucdavis.edu/cost

Nonresident tuition and fees.....	\$44,244
Books and supplies.....	\$1,159
Room and board*.....	\$15,863
Personal expenses.....	\$1,399
Transportation.....	\$487
Health insurance.....	\$2,628
Total estimated cost	\$65,780

All tuition and fee amounts are subject to change without prior notice.

Fun-filled campus

Full of popular hangout spots and gorgeous natural scenery, UC Davis keeps students moving and feeling good.

We're Aggie active:

- 39 sport clubs and 30+ intramural sports to stay fit and make friends
- 100-acre UC Davis Arboretum with a 3.5-mile loop trail for running, walking and turtle spotting
- Creativity abounds at our on-campus art museum, performing arts spaces, Craft Center and more
- Emphasis on well-being through cooking classes, counseling resources and collaborative studying

► ucdavis.edu/fun

Sustainability leader as
3rd greenest university in the world

Our Quad has **hammocks**
and shady lawn

Travel to **40+ countries**
with Study Abroad

Supportive community

At UC Davis, we learn by working together and thrive through helping each other achieve.

We make connections:

- Classmates share study time, and professors are accessible for learning support
- Student government offers leadership and oversees key campus services
- 66 Greek life organizations for social and career support
- International Center a hub for international student services and social connections

► ucdavis.edu/community

5th most international public institution in the U.S.

800+ student organizations to network and explore new interests

10th in the nation for research, social mobility and public service

Students enjoy Picnic in the Park at the Davis Farmers Market.

Find your home

Entering students are guaranteed one year of on-campus housing.*

First-years love our lively residence halls, with delicious food nearby and support resources for an easier transition. Living-Learning Communities also offer culturally focused living areas.

Transfer students access our apartment program or find a place in town.

With a focus on sustainable ingredients, Dining Services offers delicious dishes to meet diverse cultural needs including halal, kosher, vegan and vegetarian.

*Check housing website for eligibility.

College-town welcome

With students as more than half of the population, Davis is a warm and friendly college town.

We roam freely:

- Modern downtown next to campus with restaurants, movies, coffee shops and boba tea
- Central location for mountains, lakes, snow, the Pacific Ocean, Sacramento, San Francisco and Silicon Valley tech
- Sacramento International Airport nearby for spring break trips and flights home
- A safe community supportive to students; learn more about campus safety at clery.ucdavis.edu/asr

► ucdavis.edu/college-town

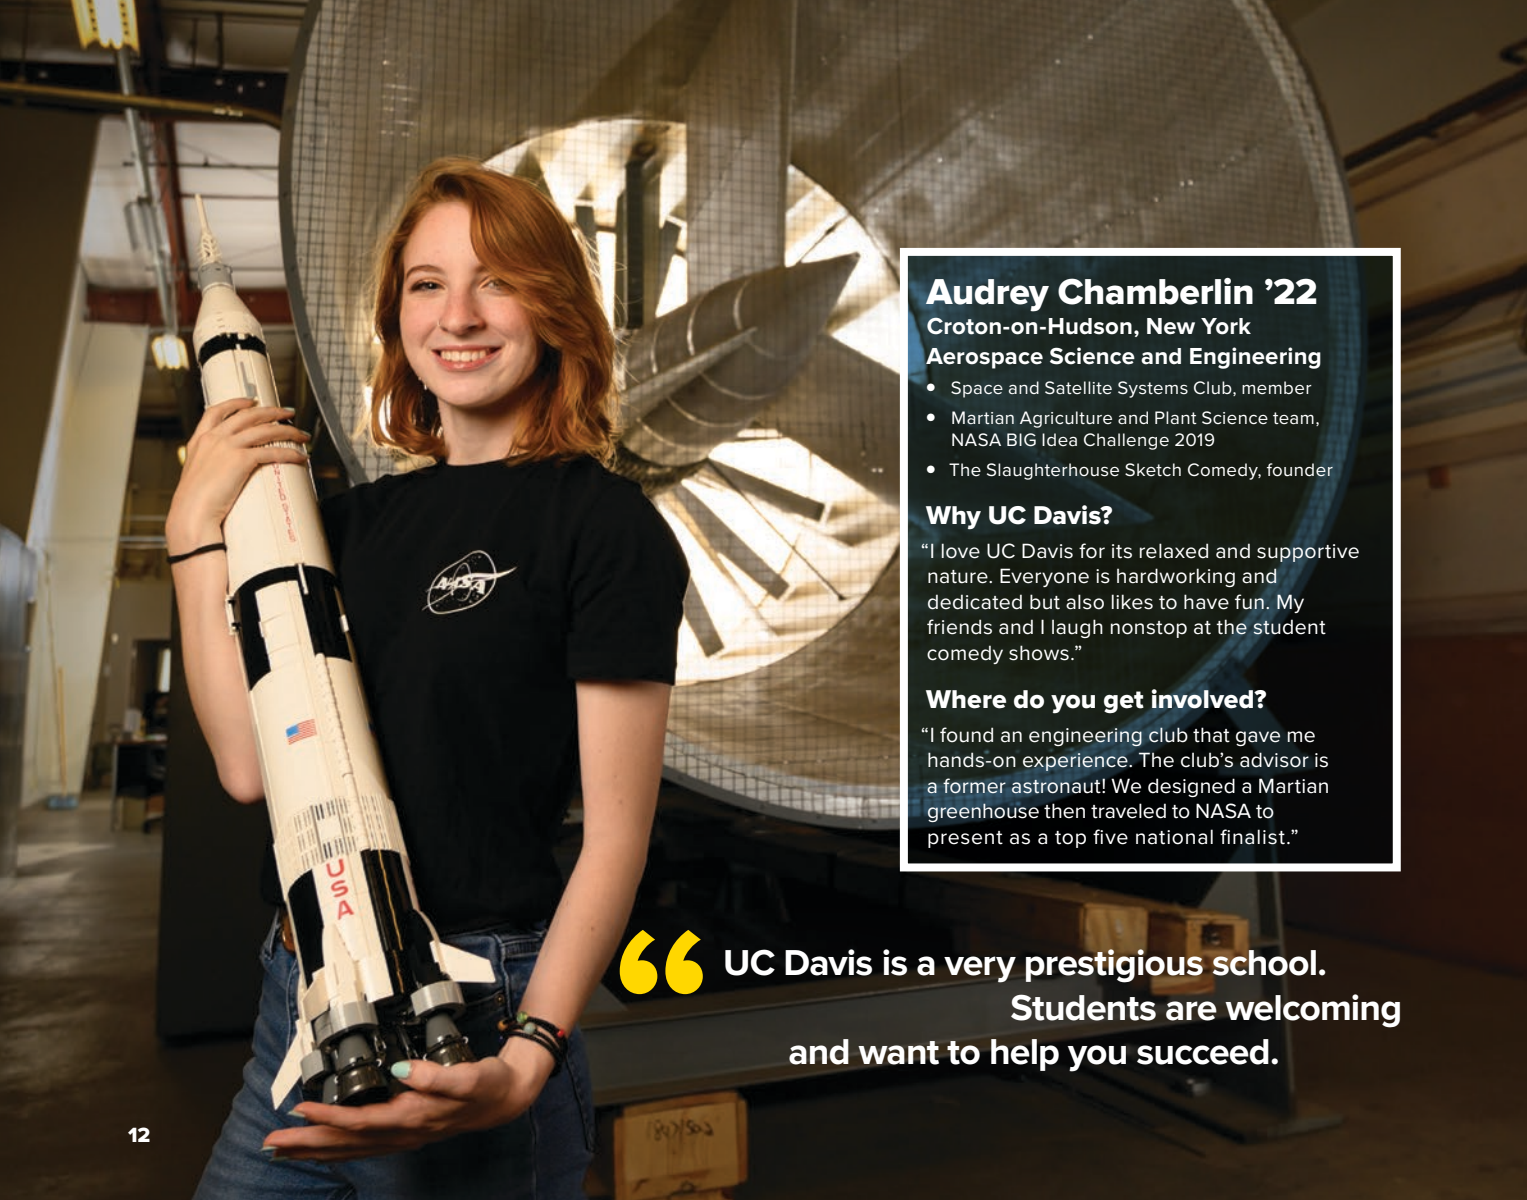

One of the **best farmers markets** in the U.S.

Average of **267 days of sun** each year

Our community Picnic Day is one of the **largest U.S. student-run events**

Audrey Chamberlin '22

Croton-on-Hudson, New York
Aerospace Science and Engineering

- Space and Satellite Systems Club, member
- Martian Agriculture and Plant Science team, NASA BIG Idea Challenge 2019
- The Slaughterhouse Sketch Comedy, founder

Why UC Davis?

"I love UC Davis for its relaxed and supportive nature. Everyone is hardworking and dedicated but also likes to have fun. My friends and I laugh nonstop at the student comedy shows."

Where do you get involved?

"I found an engineering club that gave me hands-on experience. The club's advisor is a former astronaut! We designed a Martian greenhouse then traveled to NASA to present as a top five national finalist."

“ UC Davis is a very prestigious school. Students are welcoming and want to help you succeed.”

“ The community is very friendly, with a lot of international students and a lot of cultures.”

Shawn Koa Ho '21

Honolulu, Hawaii
**Applied Mathematics,
Linguistics and Physics**

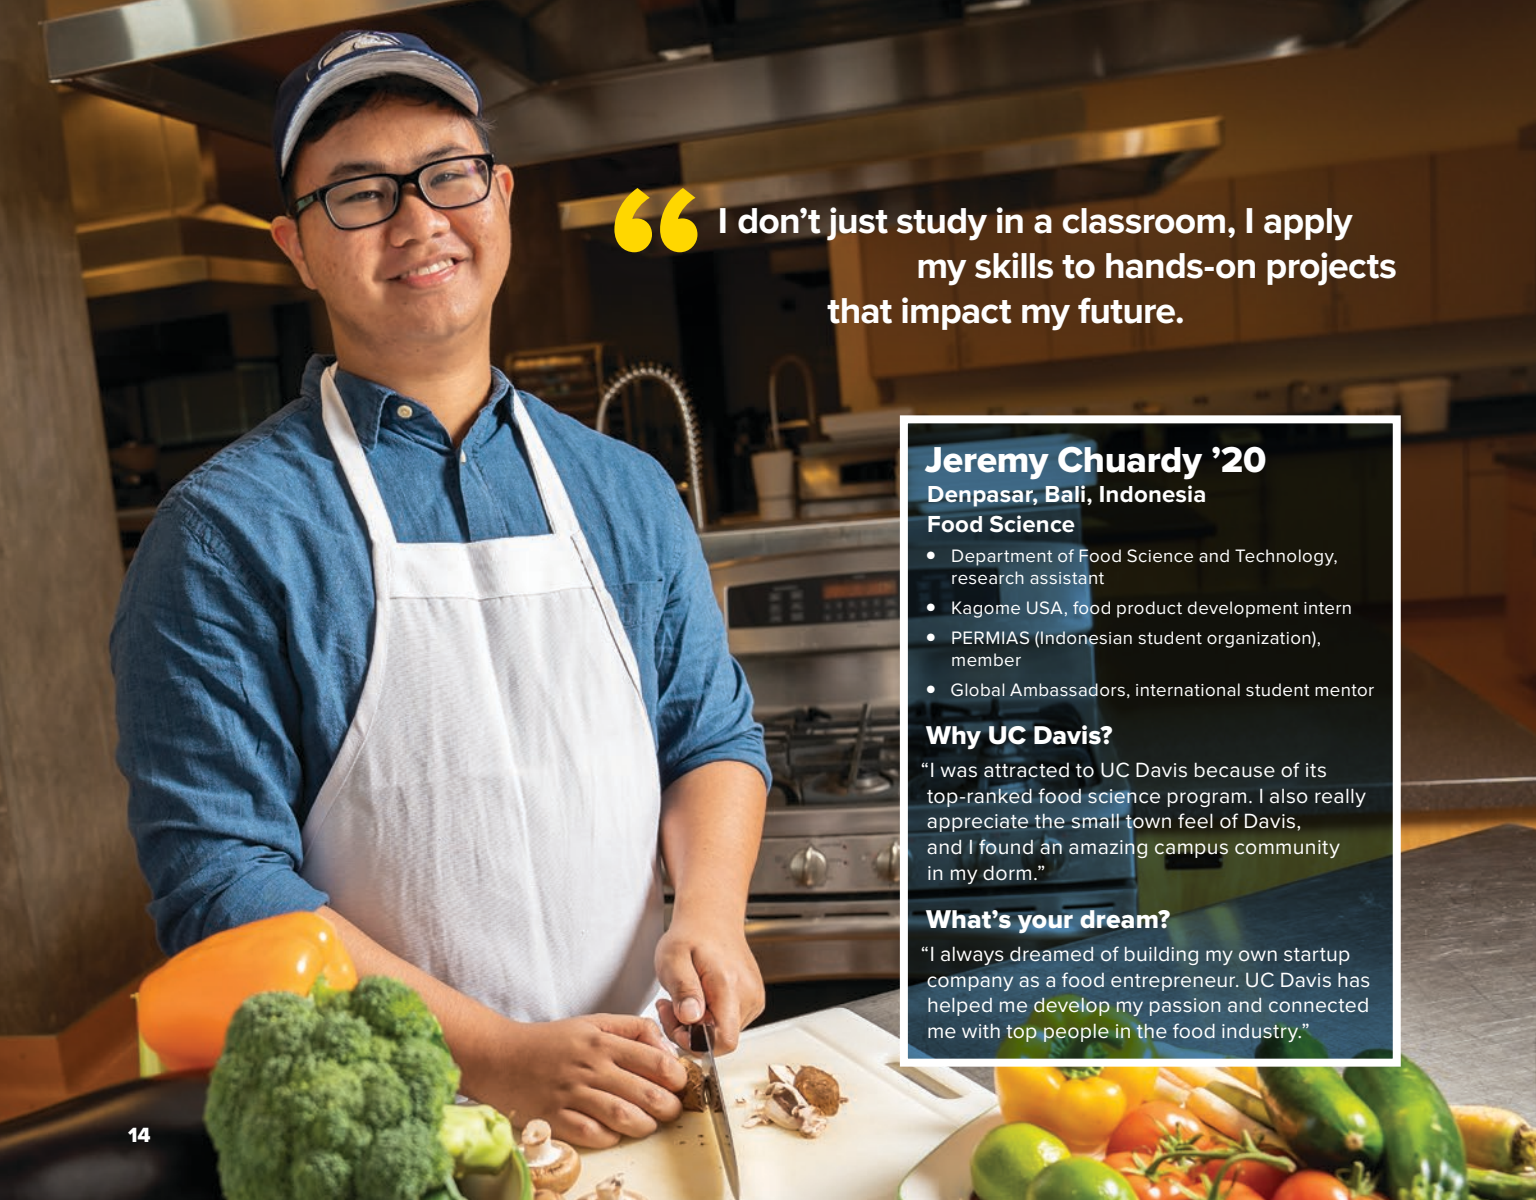

- LibreTexts Project, undergraduate assistant
- Math Club, president
- Davis Swing Dancers, member

Why UC Davis?

"UC Davis is very open and flexible. My advisors have been really understanding and supportive when I wanted to change or add majors."

How are classes?

"I like learning, and I really enjoy my classes. Physics is really cool, and linguistics has taught me how people communicate. Each class gives me a better understanding of how things work."

A young man with glasses and a blue baseball cap, wearing a blue button-down shirt and a white apron, is smiling in a kitchen. He is standing behind a counter with various fresh vegetables like broccoli, bell peppers, and mushrooms. In the background, there are kitchen appliances like a stove and a sink.

“ I don’t just study in a classroom, I apply my skills to hands-on projects that impact my future.”

Jeremy Chuardy '20

Denpasar, Bali, Indonesia

Food Science

- Department of Food Science and Technology, research assistant
- Kagome USA, food product development intern
- PERMIAS (Indonesian student organization), member
- Global Ambassadors, international student mentor

Why UC Davis?

“I was attracted to UC Davis because of its top-ranked food science program. I also really appreciate the small town feel of Davis, and I found an amazing campus community in my dorm.”

What’s your dream?

“I always dreamed of building my own startup company as a food entrepreneur. UC Davis has helped me develop my passion and connected me with top people in the food industry.”

A young woman with long dark hair, wearing a white short-sleeved shirt and a dark striped apron, is smiling in a laboratory. She is standing in front of various pieces of scientific equipment, including what looks like a large piece of machinery with many pipes and gauges.

Joshika Dantuluri '22

Hyderabad, India

Biological Sciences

- Field Hockey Club, member
- Activities and Recreation Center, workout enthusiast
- Drama explorer

Why UC Davis?

“There are so many different things to learn. I really enjoyed my dramatic arts class, even though my major is in biology. UC Davis is boosting my confidence and helping me grow as a person.”

How was your first year?

“I was able to adapt easily and make a lot of friends. It’s so helpful being in a dorm. My friends are always helping me and inviting me to do things. We’re having so much fun.”

“ UC Davis is showing me opportunities in different fields of research. There’s a lot of diversity, and I’m learning so much about people and their cultures.”
